Public Hearing At Pahokee City Hall Tuesday, Oct. 19

Pursuant to section 6 of the River and Harbor Act approved March 2, 1945, the District Engineer has been directed to make a Channel to Pahokee, on Lake Okeechobee.

In order that the required report may fully cover the matter, a Public Hearing will be held in the City Hall, Pahokee, at 10 a. m., on Tuesday, Oct. 19, 1948.

For your information, there is no Federal project for a channel to Pahokee; however, the existing project for the Caloosahatchee River and Lake Okeechobee Drainage Areas, to which a channel to Pahokee would be related, provides principally for north and south shore levees, and a cross-State waterway at least 8 feet deep with a side channel to the municipal yacht basin at Fort Myers and a basin at Stuart.

All interested parties are invited to be present or represented at the above time and place including representatives of Federal, State, county, and municipal agencies, and those of commercial, industrial, civic, highway, railroad, and waterway transportation interests, and property owners concerned. They will be afforded full opportunity to express their views concerning the character and extent of the improvement desired and the need and advisability of its execution. Sponsors of the improvement are urged to present pertinent factual material bearing upon the general plan of improvement desired and the economic justification of the undertaking. Opposing interests, if any, are also urged to state the reason for their position.

It would be particularly helpful if the sponsors of the improvement would present specific data at the hearing on the depth, width and location of channel desired; the number, size, and type of craft now based at Pahokee, with similar information for craft expected to use the desired channel; the amount and nature of present and prospective water-borne commerce; and a description and estimate of the benefits or savings expected to result from the desired improvement. Information is also desired on the terminal facilities available and which may be provided by local interests for increased needs of commerce.

Oral statements will be heard, but for accuracy of record all important facts and arguments should be submitted in writing, in quadruplicate, as the records of the hearing will be forwarded for consideration by the Department of the Army. Written statements may be handed to Willis E. Teale, Colonel, Corps of Engineers, District Engineer, at the meeting or mailed to him beforehand.

Democratic gubernatorial nominee Fuller Warren has invited the heads of Central and South American government as well as governors of 47 other states to attend his inauguration at Tallahassee, January 4, which promises to be the biggest event of its kind ever staged in Florida.

Must Obey Signals Of Safety Patrol

The newly organized Safety Patrol at Pahokee Schools went on duty for the first time Tuesday of this week after receiving instructions from Police Chief A. E. Morgan at the PTA meeting Monday night.

Members of the patrol are Vaughn Wilson, Bobby Bush, Thurmond Kemp and Bobby Howell, who will direct traffic through the school's safety zone on Main Street; also Nealy Johnson, Holton Herring, Pat Elliott and Val Gabaldon who will be on duty in front of the elementary school on SE First Street.

Badges and belts for the patrol have been ordered. Members will be on duty for one-half hour before the opening of school, during the lunch hour and immediately after the close of school. Chief Morgan warns motorists that patrol members are representatives of the police department and their signals must be strictly obeyed.

Stafford Resigns As Service Officer

I. J. Frasure, Jr., of Pahokee last week was selected to succeed James A. Stafford as Veterans Officer for the Everglades at the regular meeting of the Glades Veterans Service Committee. Stafford, whose resignation takes effect November 1, is entering the insurance business with the Equitable Life Assurance Society.

Ralph Freeman, chairman of the veterans committee, lauded the work accomplished by Stafford during his 15-month tenure, and expressed the regrets of the committee in accepting his resignation. "However," he added, "we feel that we are fortunate in obtaining a man of Frasure's background and ability to take over the duties."

Freeman reviewed the work of the veterans service officer during the fiscal year ending September 30, pointing out that the Glades office led the other four county offices in practically all phases of the highly specialized work. The annual report shows 323 claims filed; 120 applications for hospitalization and outpatient treatment; 1,195 miscellaneous forms executed; 2,148 letters written; 2,855 personal interviews; and \$354,000 worth of GI insurance reinstated.

"Our office recovered in cash for veterans and their dependents in this area a total of \$123,477.24—and we operated on \$5,839.98, more than \$760 under our budget," Chairman Freeman concluded.

TUBERCULOSIS FIGHT BEING INCREASED

GAINESVILLE—Stepping up its energetic fight against tuberculosis, the Florida Tuberculosis and Health Association held three regional institutes this week, conducted by the extension division of the University of Florida, sessions being held at Marianna, Jacksonville and West Palm Beach.

The city of Winter Haven voted recently to purchase the water distribution system, heretofore provided by the Tampa Electric Company, for \$432,000.

Rotary Governor Will Visit Pahokee Club On Thursday

The Rotary Club of Pahokee will on Thursday, Oct. 21, welcome Morton McDonald, Governor of the 167-B District of Rotary International, which includes 25 Rotary Clubs along East Coast of Florida from DeLand and Daytona Beach to Key West. Mr. McDonald is

President of The Abstract Corporation in DeLand and is a member of the Rotary Club of DeLand.

Mr. McDonald will visit the Rotary Club of Pahokee to advise and assist President V. L. Geiger, Secretary E. J. Carlton and other officers of the Club on matters pertaining to Club administration and Rotary service activities. He is one of the 180 District Governors of Rotary International who are supervising the activities of some 6,500 Rotary Clubs which have a membership of 320,000 business and professional executives in 80 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Pahokee because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of businesses and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, 323 new Rotary Clubs were organized in 35 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

ACTION POSTPONED

MOUNT DORA—Action on the proposed municipal power plant here has been delayed by city officials in order that complete information on a proposal from the Florida Power Corporation for lower rates can be considered.

City officials decided to obtain the information before deciding to either continue buying power from the power company or building a municipal light plant.

Baby Blue Devils Win From Belle Glade

George Tucker's Pahokee Junior High football eleven opened this season auspiciously Thursday night of last week by downing the Belle Glade Juniors, 6 to 0, on Lair Field.

It was a nip and tuck affair throughout with the breaks going to the baby Blue Devils in the second quarter when Bobby Schroder scampered around end to pay dirt from the seven yard line shortly after he made a 40-yard return of a Belle Glade punt.

Cub Pow Wow Slated For Oct. 16 At W.P.B.

Chairman Thomas S. Goddard announces that the Gulf Stream Council is holding their first Cub Pow Wow for Cub Leaders, Saturday, October 16th, at St. Ann's School, Third and North Olive, West Palm Beach.

Mr. Goddard stated that the Pow Wow would be a training course for Cub Leaders and would consist of four sections.

Mrs. Harry Bennett, West Palm Beach, will have charge of the Game Section and will be assisted by a number of Den Mothers and will teach the playing and directing of games.

Pack Administration will be under the direction of A. F. Funkhouser of Lake Worth, who will be assisted by several Cubmasters who will teach Pack Management and Program Planning.

The Handicraft Section will be under the direction of Mrs. A. A. Wagner and Mrs. Joseph Hodgson, both of Lake Worth, who will be assisted by a number of Den Mothers, teaching some 25 simple crafts related to Cub Advancement.

Roscoe Braddock of Belle Glade will be assisted by a number of Leaders demonstrating Cub Ceremonies, Dramatizations and Entertainment. Boyd Voorhes of the local Pack expressed hope of having several local Den Mothers and Committee members take part in each of the Training sessions.

The program will start Saturday afternoon, October 16th, at 2 p. m. and will include a Blue and Gold Banquet at 6:30 and will close by 9 p. m. The local Packs plan to carry handicraft exhibit material and homemade games.

Sea Scouts To Take Training Cruise

Frank Gillis was elected first mate of the Pahokee Sea Scout Patrol at the annual election of officers Monday night. Lee Wrotea was chosen second mate and Kenneth Johnson, yeoman. Perry Duke, patrol skipper, presided at the meeting.

The patrol discussed plans for joining other sea scout units along the East Coast on a training cruise to Miami Oct. 23-24. The Pahokee patrol will board the cruise ship at West Palm Beach. Skipper Duke gave a description of the Navy P-C on which the cruise will be made.

James H. Wilson, scout executive, told of plans for obtaining a ship for the local patrol to go on training cruises on Lake Okeechobee.

Pahokee PTA Make Final Plans For Halloween Party

Plans for the annual Halloween carnival and party for children of the community were announced at the October meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium. The carnival will be held under the floodlights of Lair Field Saturday evening, Oct. 30, sponsored by PTA in cooperation with civic organizations. Mrs. A. D. Bevel, named chairman of the affair, in charge of arrangements for the past Canal Point children have joined Pahokee children for the carnival at Lair Field but this year the Canal Point PTA will entertain Canal Point children at a separate carnival on the Canal Point school grounds, it was announced.

In a report on PTA membership, given by Duncan Padgett, it was disclosed that teachers were enrolled 100 per cent in the 200 paid-up membership to date. The goal of 300 members is expected to be reached by the November meeting.

New PTA year books were presented to members at the meeting.

Mrs. D. W. Cunningham, president, announced plans to send local delegates to the PTA County Council meeting in Lake Worth on Oct. 19. She also reported that the Pahokee Cub Pack, sponsored by PTA, has been completely reorganized for the coming year with four den active. A letter was read from Mrs. C. A. Shive thanking PTA for the gift presented her in appreciation of her 10 years of service as cafeteria supervisor.

The monthly attendance award went to Mrs. Tommie Lee Dubose's sixth grade and Mrs. Sue Shirley's first grade rooms (a tie) at the elementary school and to the ninth grade at the high school.

Mrs. G. Lawton Sims, program chairman, presented a program on "Home, School and Community Safety." Mrs. Elsie Sims spoke on "How to Prevent Accidents in the Home." Police Chief Altman E. Morgan introduced members of the newly organized School Safety Patrol and asked the public to cooperate with the patrol while it is directing traffic through the school's safety zones. State Highway Patrolman W. F. Kaufman in a talk on "Parental Responsibility to Children for Safety on the Highways" warned parents against allowing their children to drive cars without proper license and training.

Following the program a social hour was enjoyed at the school cafeteria where refreshments of homemade cake and sherbert were served by Mrs. E. L. Pope, hospitality chairman, assisted by Mrs. Terry Sellers, Mrs. Parnell Enecks, Mrs. E. P. Holt, Mrs. E. F. McIlwain, Mrs. J. V. Thomas, Mrs. H. M. McIntosh, Mrs. Curtis Chase, Mrs. B. Elliott and Mrs. E. M. Meredith, co-hostesses.

Mrs. W. H. May was able to return home Saturday from Jackson Memorial Hospital, Miami, where she recently underwent operations on her arm.

Miss Lois Echols Enter Nursing School

ATLANTA, Ga. — Miss Lo's Echols, daughter of Mr. and Mrs. Grady Terrell Echols, Canal Point, is one of the 25 Florida students in a record class of 85 in the Collegiate School of Nursing, Emory University, according to announcement by Miss Julia Miller, dean of the school.

The student nurses come largely from the Southeast, although some from as far away as New York and New Mexico, said Miss Miller. Emory's Collegiate School of Nursing offers a four-year course leading to a Bachelor of Science degree in Nursing. The first two years are spent in the College of Arts and Sciences; the last two in professional training.

"The acute shortage of nurses still continues," the dean pointed out. "The end of the war did not bring a decline in the demand for trained nurses because of the increased emphasis placed upon health and the prevention of disease. The need for women to enter the field of nursing is greater today than ever before."

George Claude McLarty, Jr., son of Mr. and Mrs. G. C. McLarty of Pahokee, left Thursday for Fort Jackson, S. C., to enter training in the U. S. Army. For the past two years while attending Pahokee High School he has been employed as messenger boy at the local Western Union office.

Good Roads Are Necessary For All Of Our School Busses

TALLAHASSEE—As one of the many reasons for supporting Good Roads Amendment No. 1 on November 2, the Florida Good Roads Association stresses that good highways are vital to the extensive operation of school busses in all parts of the state.

Most people do not realize how important surfaced roads are to Florida school children, who need regular and safe transportation to and from school. School bus routes criss-cross each county of the state. Unfortunately, 40 percent of these routes are unsurfaced, which means more breakdown and higher transportation costs. Surfaced roads, on the other hand, mean safe, economical and regular transportation for school children.

The latest figures available indicate there are 1,521 school busses in Florida. The elementary, junior high and senior high school students using these busses amount to 106,857, a large portion of the total school enrollment in the state. These busses cover 68,740 miles a day, nearly three times the distance around the earth. During the school year these busses travel 12,373,200 miles. The operating ex-

pense for 1946-47 was \$2,528,886.07.

These school children are the most precious thing moving over Florida highways. Nothing should be spared toward making their trip a safe one. Unsurfaced roads are highly undesirable. In some counties they force children to leave home in darkness and return home in darkness. The grave danger to health, education and morals becomes apparent. Breakdowns on unsurfaced roads in isolated areas expose children to other dangers. The Florida Good Roads Association contends this is unnecessary.

New surfaced roads would greatly lower transportation costs as well as lessen the possibility of accidents. Within a very short time, a large number of new busses have had to be purchased throughout the state, because the busses took such a beating from the poor roads that they could not be kept in operation.

A recent survey reveals that a bus will tend to last at least 30 percent longer when used only on surfaced roads. Gasoline, oil, tire and other maintenance cost is correspondingly cheaper.

Many school authorities in various parts of the state, realizing the importance of the highways, have been urging their friends to support Good Roads Amendment

No. 1, because of the fact that it means better roads in the counties throughout the state.

Mr. and Mrs. Frank Weathers of Miami were called to Pahokee Monday by the critical illness of her mother, Mrs. W. F. Walker.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Blue Devils Will Play At Delray Beach Tonight

The Pahokee Blue Devils travel to Delray Beach tonight to take on the Seahawks in their first game of the season away from home. The Pahokee eleven, despite their defeat by Lake Worth Friday night, are rated on even terms with the undefeated Seahawks who have won three in a row but got a scare in barely outpointing SS Peter and Paul of Miami, 14 to 12, last week.

Coach Clyde Alley and his assistant, William Howard, have been busy this week trying to build up the reserve strength of their team.

It is the opinion of many fans, had the Blue Devil reserved strength been up to par last week the local eleven would not have suffered a 25 to 14 defeat from the hands of the Lake Worth Trojans. The Blue Devils scored first in the first quarter when they recovered a Trojans fumble on the Lake Worth 30 and moved the ball up

to the seven where Julian Snyder went through right tackle for a touchdown and Joe Carr kicked the extra point. The Trojans surged back in the second quarter with two touchdowns and one conversion making the score 13 to 7 in favor of the visitors at the end of the half.

The Blue Devils dominated the third quarter and again forged ahead after making a touchdown the hard way, driving from their own 15 to the Lake Worth five where Hueston Connell leaped through center for paydirt. Carr's kick was again good for an extra point. The fourth stanza was a sad one for the tiring Pahokee first stringers who failed to stop Trojan Back Bob Barus when he received a Blue Devil punt on his own 30 and raced down the sideline 70 yards for a TD. Near the end of the game the Trojans started a vicious drive from their own 26 that went through the Blue Devil line like a hot knife through butter down to the Pahokee six where Trojan Fullback Sheppard sailed around end to score.

In tonight's game Alley will probably start Ted Johnson, left end; Lee Wroten, left tackle; Bobby Peacock, left guard; George Sims, center; Charles Phillips, right guard; Raymond Caruthers, Jr., right tackle; Donald Danson, right end; Joe Carr, quarterback; Julian Snyder, left half; Hueston Connell, right half, and Jack's Thomas, fullback. He is also taking along as substitutes Ralph Chaney, Stanley Hooks, Bernard Justice, Ronnie May, Clarence Padgett, Russell Sims, Lennie Stuckey, Richard Tillis, Jacob Weeks, Max Wilson, Lester Holmes, David Ramey and Trevette Weeks.

By Malcolm Miller

Thundering down the road to glory comes an adventure beyond comparison. It is the story "Beyond Glory" with Alan Ladd and Donna Reed, as the stars and George McCreedy, George Couric and Henry Travis sharing billing with this popular pair of top-flight artists.

"Beyond Glory" is the amazing love story of a man who had lost himself, and the wife of the man he thought he had killed. How could he tell this lovely, trusting girl of a fear that was driving him mad... a broken memory of blurred terror... a frantic, lingering doubt that whispered "You Killed him!"

Every man who stand up to life and licks it wants to bring his victory to the woman who urged him on. This is action where cowards quit early, and weaklings never finish at all. This is romance, planned to be as exciting as a bugle call... and it is!

See you at the movies—Mal.

In the place of regular meetings this month the three circles of the Pahokee First Methodist WSCS will meet together at the church on Monday, Oct. 25, at 7:30 p. m. for a sacrificial supper in observance of week of prayer and self denial. Following the supper the circles will conduct brief business sessions in the church auditorium.

Lottie Moon Circle Met Monday P. M.

At a meeting of the Lottie Moon Circle, First Baptist WMU, at the home of Mrs. G. C. Connell Monday afternoon Mrs. L. W. Mullis, circle chairman, named chairman of standing committees as follows: Mrs. Margaret Thompson, Bible study; Mrs. J. C. Mock, royal service; Miss Elizabeth Caraway, mission study; Mrs. J. P. Herring, children's home; Mrs. E. E. Coleman, community missions; Mrs. J. E. Unwin, Mrs. Axel Jensen and Mrs. L. M. Mullis, enlistment.

On the program Miss Caraway gave a talk on "Missions" and Mrs. Thompson led the Bible study. Mrs. Unwin, co-hostess, assisted Mrs. Connell with the serving of refreshments.

Don Beverly Named Jr. Fellowship Head

Don Beverly was elected president of the Pahokee Methodist Junior Fellowship at a reorganization meeting in the church social hall Sunday evening. Other officers, chosen to serve for three months were: Kay Friend, vice president; Annette McIntosh, program chairman; Judy Starling, secretary; Corrine Collins, treasurer; Philip Dulaney, mission study chairman, and Ronnie Elliott, sunshine chairman. The group chose as a motto for the year, "Follow, Learn and Obey." Twenty-two were present.

Preceding the business meeting a social was enjoyed with Mrs. G. B. Ramey, junior fellowship leader, in charge of the serving of refreshments. Mrs. Ramey is assisted in the junior fellowship work by Mrs. Clyde Alley, Mrs. A. D. Beverly, Mrs. C. A. Major and Mrs. Lewis Friend.

Pahokee MYF Elect New Officers

Willard McCurdy was elected president of the senior Methodist Youth Fellowship of the Pahokee Methodist Church at a meeting Sunday evening. Other new officers chosen were Anna Lee Hurt, vice president; Yvonne Fraser, secretary; David Ramey, treasurer, and Bobby Schroder, publicity chairman.

The election of officers was preceded by a spaghetti supper and social hour in the recreation hall of the church.

WSCS HOLD MEETING

Postponed from last week on account of the storm, the October meeting of the Woman's Society of Christian Service was held at the home of Mrs. N. V. Maxson on Tuesday, Oct. 12th. Mrs. C. L. Stuart presided. Both devotionals and the program dealt with Methodist work in Alaska and were entitled "When Jesus Saw the Multitudes." Mrs. Vorhees and Mrs. Kepp led the devotionals, and the program was presented by Mrs. James Miller, Mrs. Pope Sears and Mrs. J. P. Parker.

Plans were made for several members to attend the Glades sub-district meeting in Pahokee on October 14th.

Mrs. Maxson served apple and cherry pie a-la-mode and coffee to sixteen.

Mr. and Mrs. L. C. Hughes of Pelican Lake announce the birth of a daughter, Carylon June, at the Everglades Memorial Hospital on June 9.

MRS. VIOLET HALL WINS THEATRE JACKPOT

It took four minutes by the clock to give away the \$84 jackpot at the Prince Theatre Tuesday night ending Theatre Quiz Party nights, a novel entertainment feature that has enjoyed an extensive run during the summer months, with Malcolm Miller as master-of-ceremonies.

Violet Hall, of Pahokee, was the winner, and the question was: "Who won the 1948 World Series?" Of course everyone knew (or should know) it was the Cleveland Indian in the American League who were the victors.

The management of the Gold-Dobrow Theatres has replaced this stage feature with "Family Night" which will admit all kiddies under twelve Tuesday and Wednesday nights, when they are accompanied by their parents.

Edwards - O'Neal

Mrs. Fedora Edwards, daughter of Mrs. Julia Stewart of Cocoa, and Alton Wood O'Neal, son of Mrs. W. A. Maxsey of Pahokee, were married at Brunswick, Ga., Sunday, Oct. 3, at 2 p. m. The ceremony was performed by a justice of peace of that city.

Following a brief wedding trip Mr. and Mrs. O'Neal are now at their home in Pahokee where he is employed.

THEATRE ANNOUNCE CHILDREN NIGHT

The Gold-Dobrow Theatres management announce a great day for the kiddies has been introduced at the Prince Theatre.

Every Tuesday and Wednesday night will be Family Night at the movie house. On these nights all children under 12 years of age will be admitted free, when accompanied by their parents.

Here is news that should prove interesting to parents with children this age, for this should mean quite a saving in the family budget... especially if they have a large family.

The annual convention of the Florida Publicity and Public Relations Association will be held in Tampa, Oct. 24-25.

PRELUDE TO ACCIDENT-

Injury - - - - Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

You can be a safe driver if you will. It's up to you.

B&PWC Observe National Week

Members of the Everglades Business and Professional Woman's Club have been busy this week observing National Business Woman's Week, Oct. 10 to 16.

Activities began Sunday when club members as a group attended the morning service at the Pahokee First Methodist Church to hear Rev. Carson T. Howes preach on "Christian Citizenship." On Monday Mayor T. C. Richardson issued a proclamation designating Oct. 10-16 Business Woman's week in Pahokee.

Tuesday noon B&PWC members were guests of the Lions at their weekly luncheon meeting. The Lions Club program featured a talk by Mrs. Sara Creech on "National Business Woman's Week." The club also planned to attend the City Council meeting Tuesday night but this meeting was postponed.

The observance ended Thursday night with a party for new members held at Pelican Lake. Mrs. Gerry Atkins, hostess, was assisted in the entertaining by members of the membership committee.

Plans for National Business Woman's Week were completed at a business meeting of the club on Friday night of last week. The honorary title of "Boss of the Year" was bestowed by the group upon W. H. Vann, widely known grower, packer and broker. The club voted as its project for the year the beautification of local school grounds. It also voted to sponsor a drink stand at the grand opening of the public swimming pool with all proceeds to go into the pool fund. Mrs. Sarah Thomas, president, presided.

Mrs. Doro Carter, program chairman, announced the next social meeting of the club will be held at the home of Mrs. Rethelle Dobrow on Oct. 19 with Miss Lucille Williams assisting as co-hostess.

Baptist WMU Plan Association Meeting

Announcement of a WMU Palm-Lake Association meeting to be held at the Northwood Baptist Church in West Palm Beach was made at two circle meetings of the Pahokee First Baptist WMU this week.

The Lottie Moon Circle met at the church Monday afternoon with Mrs. Mullis presiding. Plans were made for a mission study of "Light for the Whole World" to start the first Monday in November with Miss Elizabeth Caraway in charge. An executive board meeting at the home of Mrs. Horace Unwin was called for Thursday. Mrs. J. C. Mock, program chairman, presented a royal service program, the topic being "The Jew of Today."

Mrs. Johnny Burdeshaw was received as a new member of the Lucy Jones Circle at a meeting at the home of Mrs. Chester Batchelor Tuesday afternoon. Mrs. A. C. Santo presented the devotional program and Mrs. W. H. Rogers, chairman, presided at the business.

Cross - Stratton

Mrs. T. R. Rushing of Statesboro, Ga., announces the engagement and approaching marriage of her daughter, Jean Stratton, to Francis William Cross, Jr., son of Mr. and Mrs. F. W. Cross of Canal Point.

The wedding is scheduled to take place at the First Baptist Church in Belle Glade Nov. 25, at 5 p. m. No formal invitations are being issued but all friends of the couple are invited to attend.

CARD OF THANKS

I wish to thank my friends for the lovely flowers and cards I received while in the hospital. I appreciate the thoughtfulness more than words can express.

Mrs. Frank O'Connell.

Lewis Friend is a patient at Good Samaritan Hospital, West Palm Beach, this week.
